LB 147A, 147, 585

Schimek, you're recognized to close.

SENATOR SCHIMEK: Yes. Thank you, Mr. President, members of the body. Thank you for your indulgence. I don't know about you, but sometimes things get past you on the floor that you just wish you would have taken more time at the time to discuss. This was one of those cases with this issue. And me, I do thank Senator Bromm and his staff and his assurance that it would have a good public hearing if we bring it forward next year. I do believe that this amendment may be the right approach. Rather than making it applicable to all passenger vehicles, I think maybe leave it with the commercial side. And I would like to see something like this discussed, then, next year. And with that, I would ask that the motion to return be withdrawn.

SPEAKER KRISTENSEN: The motion is withdrawn. Members, if you'd return to your seats for Final Reading. LB 147.

CLERK: (Read LB 147 on Final Reading.)

SPEAKER KRISTENSEN: All provisions of law relative to procedure having been complied with, the question is, shall LB 147 pass? All those in favor vote aye; all those opposed vote nay. Record.

CLERK: (Record vote read, Legislative Journal pages 2368-2369.) 46 ayes, 1 nay, 2 excused and not voting, Mr. President.

SPEAKER KRISTENSEN: LB 147 passes. LB 147A.

CLERK: (Read LB 147A on Final Reading.)
